

- OUR DUE -

DEDICATED TO THOSE HUSBANDS AND FATHERS WHO WILL SOON
BE CALLED.

A. W. KELLY -

WITHIN A REALM OF TREES AND LIQUID LINES
THAT MARK THE EDGE AND SURFACE OF A LAKE,
WE MADE OUR HOME AND KNEW ALL NATURE'S SIGNS,
YET MORE THEN OUR JUST DUE WE WOULD NOT TAKE.

WAS OUR DUE JUST ? THE LOVE WE BORE FOR EACH,
THE LIFE WE KNEW, - OURSELVES HAD BUILT BY HAND.
WORDLESS NATURE ! WE HEARD THE WORDS SHE'D PREACH,
FOR DEVOTEES SHE HAD NO REPRIMAND.

YES, LIFE WAS GOOD, THOUGH WEALTH CAME NOT OUR WAY.
WE KNEW NO ENVY, OUR RICHES WELL WE SAW -
OUR FRIENDS, OUR GOD, OUR BABY TOO ONE DAY.
OUR PRIVATE WORLD WAS SURELY WITHOUT FLAW.

THEN - THE DRUMMINGS OF VAST CATASTROPHE !
THE STEADY THROBBING TREAD OF MARCHING MEN.
ONCE MORE THE CALL TO ARMS TO KEEP US FREE,
AMERICA NEEDS HER SONS YET AGAIN.

AND WHAT OF US ? OUR COUNTRY ASKS ITS DUE
TO OVERCOME THE ONES WHO DEMAND ALL.
THE ARMY NEEDS ITS MEN, EACH SHIP A CREW.
WE'LL ALL HELP BUILD AN AXIS WAILING WALL !

THE WISH IS IN THEIR FACES,
THE THOUGHT IS IN THEIR EYES,
HOW SLOW FOR THEM WAR'S PACES,
FAR, FAR THEIR FUTURE'S RISE.

WHAT MAN THEN ALL UNKNOWING
IF HE WILL LIVE OR NO,
PERSISTS, IN ETHICS GROWING -
PUTS RIGHT ABOVE THE LOW?

SOME OF THEM ARE SCARCELY MEN.
THEY'RE YOUNG, YOU SEE IT TOO,-
EVEN STRANGE HOMES ONCE AGAIN
WOULD HELP THEM KNOW THEY'RE YOU.

YES, THEY ARE TRULY OF US -
OUR FATHERS, BROTHERS, SONS.
IT WOULDN'T CAUSE SUCH A MUSS
T'INVITE THE SONS-O'-GUNS.

DEAR ~~EDITOR~~;

THINK YOU CAN FIND ROOM FOR THIS?

SIGNED
NELDA W.

Oh, Mother State, thou seem'st tender to me,
However much the stranger's tales decry
Thy heat or cold, and beauties do not see —
They open not eyes to charms thy looks imply.

Thy hills and heights, from which one sees afar
O'er thy lakes and trees, bays and long headlands,
Purchase to naked rock that leaves a scar, —
A bluff, unsculptured save by sacred hands.

Lush forests with the contrast of white birch
And green leaves, flaunting blades upon the air.
There, spreading farms, with here a cross-roads church,
Thou, state of mine, with natural beauty rare.

Once more the thoughts of meadows, streams, and pines
Straight growing — ageless as outcropping stone,
All these contribute to thy beautiful lines,
Oh, mother State, these make you stand alone.

Great Love

Alta Trinita Beata

1. Great Love, all hid-den a-ges span,
2. That He was here, knew life and pain,

1. your son a sac-ri-fice for man,
2. The "tab-le" states through bro-ken grain,

1. Ex-tend my thoughts pre-sent me pure
2. Of bread we eat, re-call the son!

1. your "tab-le" in-vit-ta-tion sure.
2. The suf-f'ring cross, our sins un-done. A-men

3. The promise of the cup we sip,
The blood of life upon our lip,
Great Love, we know Your Son is Grace
Redemption from the sinners' place!

4. Drift now my mind, as God desire,
Know Presence and a Holy fire,
That from this table all may share,
Accepting life eternal there!

Great Love, all hidden ages span,
Your son a sacrifice for man.
Extend my thoughts, present me pure
Your "table" invitation sure.

That He was here, knew life and pain,
The "table" states through broken grain,
Of bread we eat, recall the Son!
The suff'ring cross, our sins undone.

The promise of the cup we sip,
The blood of life upon our lip,
Great Love, we know Your Son is Grace,
Redemption from the sinners' place!

Drift now my mind, as God desire,
Know Presence and a Holy fire,
That from this table all may share,
Accepting life eternal there!

"LET THE SPIRIT ENTER"

Sacramental moment, inspire my thoughts again
Relief from earth's intrusion; sins we have as men,
That I may soar, relate to you, and through your son
Realize the promise, eternal life He won.

The grace of His presence, personified in bread,
Redemption; saving cross, we are no longer dead.
His body sacrificed, on high for all mankind,
The path is marked, three nails; His love we all can find.

Mainstream of life, the blood - to quench all believers thirst,
That Father through His Son, redeemed us who were cursed,
And by the word of Him, He sent to prove His love.
Remember our Lord's death, til He comes from above.

Press in then, to the table,- Bread and wine today,
Reach out your hands, cleansed and pure, striving for the way.
His Son ^{Pictured, as} ~~measured and~~ described in Apost^{le}'s word,
~~By~~ sacrament, ^{with} ~~through~~ faith,-eternal life assured!
