Leader: Let us join our voices in affirmation of Jorie.

People: Jorie, we the community of faith,
recognize the presence and action
of the Holy Spirit in your life.
In this act of baptism,
we signify to the world that you have
been adopted into the family of God,
reborn a new creation.
And we commission you to go forth
into the community
to be a faithful witness
both in word and deed
to our Lord, Jesus Christ.

Phoenix

by Jorie Northup

*In times like this,
There is no hope
There is only fire
A fire of hardness
Meanness
Cruelness
And death*

*Sometimes there is a spark of hope
Like someone lighting a flame of happiness
Like when Jesus came upon the earth.*

*Jesus was like a Phoenix for the people
When times were tough
When the fires raged
Phoenix's rise from the ashes
They bring hope
And that's what Jesus did*
